

One small ripple can have a great impact

The **American Institute of Building Design** believes in the consumer's right to choose who designs their home. Therefore, we provide education and resources to help the consumer make informed decisions and the professional practice at their peak. We are how residential design is done.

Join us for a relaxing lunch aimed at promoting uncompromising professional values, presenting important and challenging ideas/issues, and encouraging a culture of friendship and responsibility among industry professionals.

THIS MONTHS MEETING WILL HAVE
